Workshop on Career Guidance

Program Name	: Workshop of Career Guidance
Date and Time	: 10 .05.2023
Resource person	: Mrs. Vijayalakshmi, Nirmaan, NGO
No. of Students Involved	: 160

Stella Matutina College of Education recently hosted a career guidance workshop in collaboration with Nirmaan, a prominent non-governmental organization dedicated to enhancing the skills and development of women. Nirmaan plays a vital role in empowering women by offering a range of free courses, including basic computer training and instruction in computer applications such as Java, Python, and MS Word. These courses equip women with the skills necessary to meet the evolving demands of their careers and aspirations.

During the workshop, Mrs. Vijayalakshmi, a representative from Nirmaan, took the stage. She guided participants through a self-assessment process, distributing worksheets that encouraged them to reflect on their interests and preferences. This exercise prompted attendees to engage in introspection and think deeply about their personal and professional aspirations.

Mrs. Vijayalakshmi further informed participants that they would receive individualized career reviews through their mobile numbers. These reviews are custom-tailored to align with the unique preferences and goals of each individual, serving as a compass to help them chart their path towards a fulfilling and successful future career. This collaboration between Stella Matutina College of Education and Nirmaan provides invaluable support in empowering individuals to pursue their professional dreams and aspirations.

Outcome of the session

The workshop enhanced self-awareness, provided career direction, and empowered participants with individualized guidance, equipping them for future career success.

Workshop on Career Development program on Montessori Education

Program Name	: Career Development program on Montessori Education
Date and Time	: 27.02.2023
Resource person	: Mrs. Shobana Manikandan, Entrepreneur, EIS, Educational Plus, UK.
No. of Students Involved	: 170

On February 27, 2023, a Career Development Program commenced with an insightful introduction to the Montessori Method and an extensive overview of the "Els Edification Plus UK" program and its advantages. Mrs. Shobana Manikandan, an Entrepreneur from ELSEDFICATION PLUS UK, served as the resource person for this enlightening session.

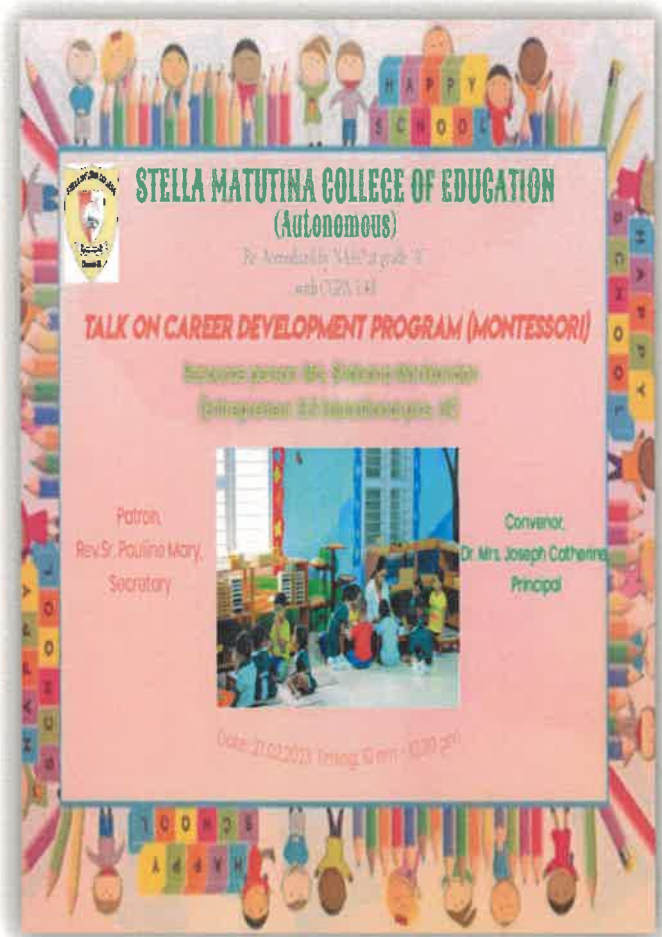

Ms. Manikandan initiated the program by delving into the design, curriculum, and teaching methodologies employed by Els Edification Plus. She emphasized that the program's goal is to offer training and support while effectively incorporating the Maria Montessori method.

During the session, Ms. Manikandan clarified the steps to establish a business platform and outlined the courses available for starting a kindergarten school post-degree. Engaging the students in activities such as rhymes, storytelling, and discussions, she deepened their understanding of entrepreneurship and presented the various facets of the program, including professional development opportunities.

The session concluded with a discussion on the next steps for students interested in implementing the ELS EDIFICIATION PLUS program. Ms. Manikandan provided resources and suggestions for further opportunities. Overall, the session proved informative and engaging, leaving the students with enhanced knowledge and a deep appreciation for her expertise and guidance.

Outcome of the session

The program provided students with a comprehensive understanding of the Montessori Method and entrepreneurship, equipping them for future endeavors.

TET Foundation Course

Program Name	:TET Foundation Course
Date and Time	:13.02.2023 to 09.03.2023
Organizing Agency	: Dhosth Academy
No. of Students Involved	: 94

Stella Matutina College of Education, in collaboration with Dhosth Academy, organized an 18-day workshop from 13th February to 9th March 2023. This workshop catered to the specific interests of students in two distinct batches: Arts and Science. Dhosth Academy, renowned for its expertise in TET coaching, played a pivotal role. Comprehensive study materials, provided in both e-book and hard copy formats for all subjects, facilitated learning. Additionally, the Dhosth Academy app offered a year-long free subscription with model questions for each subject. The expert instructors employed effective teaching techniques to ensure students grasped the curriculum, covering the entire TET syllabus, thus equipping them for competitive exams.

Out Come of the Program

The program yielded well-prepared students with comprehensive knowledge and access to valuable resources, enhancing their prospects for success in competitive exams.
